LET'S
CELEBRATE

THE CHRISTIAN LIVING CORNER

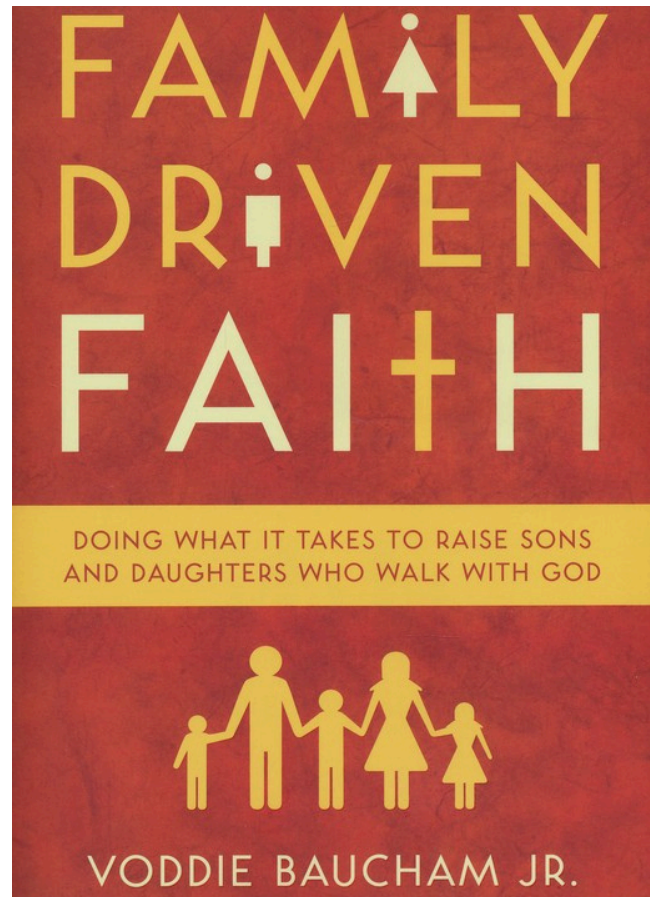

Acclaimed singer/songwriter and GRAMMY® Award-winning TRIBL Music Group artist Chandler Moore drops his highly anticipated sophomore solo album, CHANDLER MOORE: LIVE IN LOS ANGELES. Moore's latest solo offering, CHANDLER MOORE: LIVE IN LOS ANGELES, represents a new chapter in his career and personal life. The eight-track project captures an electrifying live performance that showcases Moore's unique blend of soul, R&B, and inspirational music and features powerful collaborations with celebrated artists such as Israel Houghton, Tasha Cobbs Leonard and Naomi Raine.

CHANDLER MOORE: LIVE IN LOS ANGELES is inspired by Psalm 23:2, "He leads me beside still waters." The deeply personal worship project stemmed from a season of stillness in Moore's life and the lessons that have come through it. "God has stilled the waters, He's calmed the noise, He's shut everything down so that I can see what I need to see and let Him grow me up in ways He needs to grow me up... It's about being still in your spirit and mind to allow God to speak to you," says Moore.

ALBUM OF THE WEEK

BOOK OF THE WEEK

More teens are turning away from the faith than ever before: it is estimated that 75 to 88 percent of Christian teens walk away from Christianity by the end of their freshman year of college. Something must be done. Family Driven Faith equips Christian parents with the tools they need to raise children biblically in a post-Christian, antifamily society. Voddie Baucham, who with his wife has overcome a multigenerational legacy of broken and dysfunctional homes, shows that God has not left us alone in raising godly children. This bold book is an urgent call to parents—and the church—to return to biblical discipleship in and through the home.
