With a knack for delivering worshipful heart-rending music and ministry that reaches across the world, multiple award-winning Gospel icon Donnie McClurkin has created yet another impactful album with *A Different Song* (CamDon Music/RCA Inspiration). Available everywhere, *A Different Song* marks the eighth solo album released from the prolific singer, songwriter, and producer, and features the powerful singles “Not Yet,” and “There Is God.” McClurkin, who penned eight songs and recorded most of the album live, illuminates love and glory for God’s gifts and guidance, extending hope, breakthrough, and encouragement on eleven tracks.

McClurkin also continues ministering over the airwaves and in the pulpit, as the syndicated radio host of *The Donnie McClurkin Show* and senior pastor of his church, Perfecting Faith Church in New York.

Money's Not a Math Problem isn't like the other books you've read about money. It's not a book about numbers, percentages or decimals. It's a book that drives to the heart of the money problems many people deal with—because those problems are usually symptoms of a bigger issue. The issue is our inaccurate beliefs, fears and flat-out lies about budgeting.

Ramsey Personality and debt elimination expert Jade Warshaw candidly shares how she and her husband, Sam, shifted their mindset around money and paid off over \$460,000 in debt—including \$280,000 of student loans! In this Quick Read, Jade uncovers five lies we tend to believe about budgeting. Then, she counters those lies with five truths that will rock your world—and change your attitude toward budgeting.
