“I LOVE YOU” is the anticipated third studio album from multi-award winning singer-songwriter-producer-actor-pastor’s wife-media personality, ERICA CAMPBELL. The album will be released on Friday, September 15th, via the My Block Inc/SRG-ILS Group label imprint. “I LOVE YOU” was introduced to fan across the globe with the success of the back-to-back #1 songs, “POSITIVE” and “FEEL ALRIGHT (Blessed)”. “Positive” spent four consecutive weeks at #1 on the Billboard Gospel Charts and was nominated for a 2023 Grammy nomination for Best Gospel song and won the 2023 NAACP Image Award for “Outstanding Gospel Christian Song.” “Feel Alright (Blessed)” just spent three weeks at #1 on the Billboard Gospel Charts simultaneously.

In life’s difficult moments, we find refuge when we remember that the God we serve fights our battles alongside us. Though we face moments when we feel we can’t carry on, we take heart knowing that in times of turmoil, God equips us to grow in our faith and draw closer to Him. In *Fighting Your Battles*, author, speaker, and former NFL chaplain Jonathan Evans shows how you can face every hardship with strength and hope, confident that God will always use your trials for His glory. You’ll understand what it means to

- evaluate the "giants" in your life from God’s point of view
- relinquish self-reliance and depend completely on the Lord
- progress toward the purpose you were created to fulfill

God has new ground for you to gain, and often the land, promises, and experiences He wants for you are discovered as you endure life’s struggles. *Fighting Your Battles* will give you biblical encouragement, support, and perspective, empowering you to follow God into victory.
